

Information about the football parking fundraiser:

The Huron Men's Soccer team will participate in a football parking fundraiser that takes place on each of the 7 UM home game Saturdays at a house near the stadium, on the corner of Pauline and Seventh streets (big yellow house).

Each player should sign up for one Saturday.

The job involves holding signs, waving flags and collecting money from people who park at the house.

Players should get dropped off, rather than try to park in the area, and they should bring a cell phone to call their rides when we finish (it takes 2 hours or so, different each week).

The start times are still TBD for 4 of the UM home games, but players should be dropped off 3 hours before kickoff (example: if a 3:30 kickoff is announced, get dropped off at 12:30).

If players could wear their Huron gear, that would be great. It will draw attention to our parking as an event to benefit our school; however, it is more important to dress for the weather because we will be outside for 2 hours or so.

Please tell friends, relatives and neighbors who plan to "pay to park" for UM games about our fundraiser on the corner of Pauline and Seventh.
